Rows 1-11: SC 25 stitches in green

Rows 12-13: SC 25 stitches in gray

Rows 14-15: SC 25 stitches in green

Rows 16-17: SC 25 stitches in gray

When you're happy with the length of your scarf, tie off your end well at the end of a row.

THE FRINGE

Wrap your green yarn around a DVD case once for each stitch (25 times). Then cut through all of the pieces of yarn on both sides of the DVD to create 50 same-length pieces of yarn. Use your crochet hook to pull the yarn through each stitch at the ends of your scarf.
